Why do we do all of the things that we do in worship? Many aspects of our worship service are familiar to people who have been long time members or who have a church background. Have you ever wondered what some of our rites and rituals look like to someone that has never been to church? They might seem strange indeed. Last week, we began our sermon series "We Are the Church" by recognizing that, in worship, we are reminded that God is the center around which our lives revolve. Everything we do in worship serves that purpose. This Sunday, we will examine the meaning and history of some of the things that we do in worship and discover how they serve that purpose. Join us this Sunday as we explore in depth "The Rubrics of Worship." -Pastor Jon
