"WALKING THE WALK"

This Sunday we continue our sermon series "Walking the Walk." We are exploring what it means to walk with Jesus on a daily basis. This walk is not defined by doctrine or dogma. It is about finding a path and walking faithfully, knowing that Jesus is with us every step of the way. On our walk, there will always be times when we face challenges, when we feel like it is all uphill.

During those times, we must always remember that when we walk with Christ, he is the source of our strength. That means, even though we may feel weary and worn out, we do not stop walking. Christ is the light that shines on our path and the strength that guides our every step. Join us this week as we remember that sometimes we are "Down But Never Out." -Pastor Jon
